

# **Flexible First Year (FFY) Representatives 2009**

*“A solitary traveler will find the obstacles too high, and opportunities to turn back plentiful.  
Only with the support, encouragement and occasional shove, can the trip be made”*

Peter M. Gigliotti, 2002

As the newest member of the faculty of engineering, we want to know how you are going and if you have any concerns about either your academic life or performance. If you would like to voice your opinion about matters concerning your academic life, please send them to your FFY representatives. I am deeply grateful to all of our FFY representatives who have agreed to take on this role. We shall also keep you informed of new changes or matters of interest in the faculty as they occur through the FFY representatives, but you should make sure that you keep up to date by reading our communications in the FFY website, reading your emails and browsing the engineering faculty websites.
