THINKING OF STUDYING AT SYDNEY?

THURSDAY 6 JUNE 2013
6.15pm for 6.30pm start until 8pm
PNR Lecture Theatre, PNR Building
Maze Crescent, Darlington Campus
The University of Sydney

Light refreshments will be served.

YEAR 11/12 AND PARENT INFORMATION NIGHT
The Faculty of Engineering and Information Technologies is holding its annual Year 11/12 and Parent Information Night to give you a greater insight into our undergraduate courses in:

- Engineering
- Information technologies and computer science
- Project management

We will explain the application process and let you know about our HSC preparation and bridging courses as well as the financial and scholarship support available.
You will also have the chance to chat to academics and current students and hear about their experiences at Sydney first hand.
We look forward to seeing you on campus in June.

WORLD-CLASS
The 2012-2013 Times Higher Education rankings places us in the top 50 engineering and technology universities in the world.

We offer more undergraduate scholarships than any other Australian university.

Our engineering research is ranked above world standard.

Our Bachelor of Engineering (Mechatronic)(Space) had the highest ATAR cut-off of any degree in 2013.

Flexible entry available for most of our courses.

GETTING HERE

PARKING
Shepherd Street Car Park is located behind the Seymour Centre off Cleveland Street. Limited spaces are available on the Darlington campus. Please comply with all relevant parking signs to avoid parking fines.

TRAIN
Catch a train to Redfern train station, and then take a 10-minute walk to the main campus.

WALK
We are a 10-minute walk from Redfern station and a 30-minute walk from Central station.

CYCLE
If you live close by, why not cycle in? There are lots of cycle paths around the university and our new bike racks mean you can lock your bike up securely while you are here. Did you know that the University has more than 30 bike racks across campus to make it easier for students and staff to cycle to uni?
