

# THE MURIEL ANDERSON SCHOLARSHIP FOR FEMALE STUDENTS IN THE FACULTY OF ENGINEERING AND INFORMATION TECHNOLOGIES

## Terms and Conditions

Established in 2004 by the Faculty of Engineering and Information Technologies at the University of Sydney with funding from the late Mrs Muriel Anderson to encourage and assist female students who are beginning their studies in the Faculty of Engineering and Information Technologies.

### *The scholarship shall be awarded under the following conditions:*

1. The name of the scholarship shall be the Muriel Anderson Scholarship, for female students pursuing engineering studies in particular specialisations in the Faculty of Engineering and Information Technologies.
2. The scholarships shall be open to all female citizens or permanent residents of Australia who qualify in the final year of schooling to enter the Faculty of Engineering and Information Technologies at the University of Sydney with a UAI of 85 or above.

## Tenure

3.
  - a. The scholarship is tenable in any of the following specialisations: Chemical, Biomedical, Mechanical, Mechanical (Space), Mechatronics, Mechatronics (Space), Aeronautical, Aeronautical (Space), Telecommunications, Software, Power, Electrical and Computer engineering.
  - b. The scholarship shall be tenable for 1 year only and subject to academic progress deemed satisfactory for a scholarship recipient, which shall be at minimum a good credit level (i.e. a weighted average mark of 70).
  - c. Each scholarship shall be tenable at the University of Sydney and shall not be transferable to another University.
  - d. The scholar shall not hold any other scholarship simultaneously.
  - e. The scholar shall immediately notify the Engineering & IT Scholarships Office of any change in personal circumstances, including changes of home and term addresses.
  - f. The scholar shall maintain regular contact with the Engineering & IT Scholarships Office. If a scholar fails to reply to a request from the Engineering & IT Scholarships Office within a reasonable time, payment of the scholarship stipend may cease.

## Awarding of the Scholarships

4.
  - a. The scholarship shall be awarded based on academic merit (as indicated by the applicant's performance at the N.S.W. HSC examination or equivalent), leadership potential and personal qualities.
  - b. The scholarship shall be awarded on the recommendation of the selection panel consisting of at least two academic staff members from the Faculty of Engineering and Information Technologies.

## Value and Payments

5.
  - a. The value of the scholarship stipend shall be \$1,500 FOR ONE YEAR ONLY.
  - b. The scholarship payments will be made in March and August of each year.

## Additional Conditions

1. The Scholar will comply with all rules, regulations, by-laws, resolutions and other requirements made by the University with respect to both enrolment and attendance at the University and the taking up of the Muriel Anderson Scholarship, for female students in the Faculty of Engineering and Information Technologies.
2. The Scholar will inform the Engineering and IT Scholarships Office if:

- their course or enrolment is varied in any way;
- their course is discontinued for any reason. In the event that the scholar discontinues their course any money paid to the student during that academic year must be paid back to the Faculty of Engineering and Information Technologies.

3. The scholarship may be withdrawn in the event of unsatisfactory performance in their academic studies.

4. If the scholarship is withdrawn or terminated for any reason, the Scholar will, without any demand by the University, repay that part of the scholarship stipend received after the date of withdrawal or termination of the scholarship.

5. The Scholar will not pursue a course of studies at any institution other than the University of Sydney.
