The Sommerman Skinner Associates Pty Ltd Undergraduate Scholarship in Civil Engineering

Terms and Conditions

Established in 2010 by the Faculty of Engineering and Information Technologies at the University of Sydney and Sommerman Skinner Associates, the scholarship aims to encourage and assist students during their fourth year thesis component in the degree of Bachelor of Engineering with special interest in the Civil Engineering areas, in the School of Civil Engineering. The scholarship will only be awarded if a suitable applicant is found.

The scholarship shall be awarded under the following conditions:

1. The name of the scholarship shall be the Sommerman Skinner Civil Engineering Undergraduate Scholarship.

2. The scholarship shall be awarded to a second year student in the School of Civil Engineering. Students in a combined degree program will not be eligible.

3. The applicant must be an Australian citizen or Australian resident.

4. Tenure
   a. The scholarship shall be tenable for second year only.
   b. Scholarship tenure shall be subject to academic progress deemed satisfactory for a scholarship recipient, which shall be at minimum a good credit level.
   c. The scholarship shall be tenable at the University of Sydney and shall not be transferable to another University.
   d. Scholars shall not hold any other scholarship of equal or greater value simultaneously.
   e. Scholars shall immediately notify the Engineering & IT Scholarships Office of any alteration to their degree program or to their personal circumstances, including changes of home address.

5. Awarding of the Scholarship
   a. The scholarship shall be awarded on the basis of a combination of academic merit leadership potential, personal qualities and community involvement.
   b. Double degree students are not eligible to apply.
   c. The scholarship shall be awarded by the dean of Engineering & IT on the recommendation of the selection panel consisting of at least one academic from the School of Civil Engineering, and representatives from the sponsoring company.
6. Value and Payments to the Scholar

   a. In 2012, the value of the scholarship shall be $7,000 for one year only, payable in two instalments after the Census date 31 March and 31 August of each semester.

   b. Scholarship payment will be administered by the Engineering & IT Scholarships Office.
